Children at risk of CSE: Multi Agency Audit Tool

Child's Initials <i>If Social Work or Early Help, please add CF ID</i>		
Child DOB		
Does the child have any individual needs relating to their circumstances (e.g. their ethnicity or a disability?)		
What are the features of this case? <i>Physical neglect/Physical abuse/Emotional Abuse/Parental SM/MH/Learning Disability; DV&A?</i>		
Agency/Service		
Auditor		
Practice Area (1)	Evaluation (2) - <i>If the practice area is not applicable to the case, please state the reason.</i> - Please give particular attention to the child's experience.	Grade (3) 1.Outstanding 2.Good 3.Requires Improvement 4.Inadequate
1 a) Please summarise briefly your agency's historical involvement with this child/young person b) Were there any early indicators which might have precipitated CSE?		
2. The quality & timeliness of the original referral to MASH		
3 a) The timeliness and appropriateness of the response to the referral 3 b) The quality and timeliness of Immediate Protection		
4. The quality and appropriateness of the assessment completed by Children's Social Work		
5. The effective progression of the work from this point forward including the quality and effectiveness of intervention and support.		
6 a) The focus on the child including their involvement in decisions made in respect of them b) Is the child's voice is heard? If they aren't in agreement with the plan, is rationale for decision making clear?		
7. The support provided to parents/carers and other family members		
8. The quality & impact of multi agency working		
9. The quality and timeliness of supervision and management oversight		
10. The quality of reporting and recording in general.		
If this case is a young person with a learning disability, have their needs been appropriately addressed by your agency?		
Overall Judgement <i>Please highlight strengths of practice (what do you think is going well?) and/or areas in need of improvement</i>		

Manager Commentary (including where Managers are moderating the case)	Grade
1) Please include overall grade and any strengths/areas for improvement 2) Where concerns about practice have been identified have these been addressed and escalated as necessary?
